CERTIFICATE AND REPRESENTATIONS REGARDING

RULE 506(d) DISQUALIFICATIONS

**RELATING TO AN OFFER OF \$20,000,000 IN CONVERTIBLE PROMISSORY
NOTES BY**

RINGORANG WORLDWIDE LLC

RINGORANG WORLDWIDE LLC, as the issuer, is intending to make an offer of Convertible Promissory Notes. The issuer intends to rely upon the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”) provided by Regulation D, Rule 506. Rule 506(d) provides that in some circumstances the exemption from federal registration will not be available to the issuer. The purpose of this Certificate and Representations form is to confirm that the issuer will not be at risk if it proceeds with its intended offering and reliance upon the exemption under Rule 506 being available to it. Accordingly, your careful reading and completion of this Certificate and Representations form is of critical importance to the issuer.

In that regard, the undersigned acknowledges and understands that:

- (i) Rule 506 of Regulation D under the Securities Act of 1933, provides an exemption from the registration of securities under the Securities Act for certain offerings that meet the applicable requirements set forth in Regulation D
- (ii) If an offering is exempt from registration under the Securities Act by reason of compliance with Regulation D, including Rule 506, the offering will also be exempt by virtue of Section 18 of the Securities Act, from registration or qualification under the “blue sky” securities laws of any State;
- (iii) Rule 506(d) of Regulation D provides that the exemption afforded by Rule 506 is not available for a sale of securities if the issuer, certain affiliates, or other persons participating in the offering process are subject to specifically identified “disqualifying” or “triggering” events;
- (iv) The issuer’s securities have not been and will not be registered under the Securities Act in reliance upon the exemption from registration afforded by Rule 506 of Regulation D, or registered or qualified under the blue sky laws of any State; and,
- (v) In determining the availability of the exemption afforded by Rule 506, and the preemption of compliance with registration or qualification under the blue sky laws of any State, the issuer is relying on the undersigned’s representations, warranties, and agreements contained in this Certificate and Representations Regarding Rule 506(d) Disqualifications (the “Certificate”).

Part I. Selected Covered Persons.

The undersigned represents and warrants to the issuer that the undersigned is one of the persons listed below and that the specific category/categories applicable to the undersigned is/are checked below:

CHECK ALL THAT APPLY

Any predecessor of the issuer, or any affiliated issuer.

*Note: An “**affiliated issuer**” is a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the issuer.*

A member of the Board of Directors (for an issuer that is a corporation), a general partner (for an issuer that is a partnership), or a managing member (for an issuer that is a limited liability company).

An executive officer, or other officer participating in the offering.

Title or position: Chief Technology Officer

*Note: The term “**executive officer**” means an issuer’s president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy making function or any other person who performs similar policy making functions for the issuer. Executive officers of subsidiaries may be deemed executive officers of the issuer if they perform such policy making functions for the issuer.*

*Note: The term “**officer participating in the offering**” means any officer who has more than a transitory or incidental involvement with the offering and would normally include such activities as participation or involvement in due diligence activities, involvement in the preparation of disclosure documents, and communication with the issuer, prospective investors or other offering participants.*

A beneficial owner of 20% or more of the issuer’s outstanding **voting** equity securities, calculated on the basis of voting power.

Note: The 20% test is based on total voting power of the issuer, regardless of class of security. Whether securities are “voting securities” depends on whether security-holders have or share the ability, either currently or on a contingent basis, to control or significantly influence the management and policies of the issuer through the exercise of a voting right. Non-voting securities should be ignored, and the weighted voting power of all other classes should be taken into account in determining whether the undersigned is the beneficial owner of 20% or more of the issuer’s voting equity securities.

- Any promoter connected with the issuer in any capacity at the time of such sale.

Note: The term “promoter” includes:

Any person who, acting alone or in conjunction with one or more other persons, directly or indirectly takes initiative in founding and organizing the business or enterprise of an issuer; or

Any person who, in connection with the founding and organizing of the business or enterprise of an issuer, directly or indirectly receives in consideration of services or property, or both services and property, 10% or more of any class of securities of the issuer or 10% or more of the proceeds from the sale of any class of such securities. (However, a person who receives such securities or proceeds either solely as underwriting commissions or solely in consideration of property shall not be deemed a promoter for this purpose if such person does not otherwise take part in founding and organizing the enterprise.)

Promoters can be individuals or entities; since promoters include those who directly or indirectly take initiative in founding or organizing the business or enterprise, issuers must “look through” entities that qualify as promoters to their respective directors, officers and other control persons.

- Any person that has been or will be paid (directly or indirectly) remuneration for solicitation of purchasers in connection with such sale of securities (the “solicitor”), and any director, general partner, managing member, executive officer or other officer participating in the offering of such solicitor, and any director, executive officer or other officer participating in the offering of the solicitor’s general partner or managing member.

Note: Any person who is engaged in the selling process, including underwriters and placement agents, sales representatives, sales agents and any other person who is compensated as a result of sales of the securities is a person involved in the solicitation of purchasers.

- Any investment manager of the issuer if the issuer is a pooled investment fund, and any director, general partner, managing member, executive officer or other officer participating in the offering of such investment manager, and any director, executive officer or other officer participating in the offering of the investment manager’s general partner or managing member.
